UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF FLORIDA
PENSACOLA DIVISION

CHASE WINTON,
Plaintiff,

CASE NO.
3:26-cv-05081-MCR-ZCB

v.

SAFETY HOLDINGS INC. d/b/a SAMBASAFETY,
Defendant.

COMPLAINT AND DEMAND FOR JURY TRIAL

COMES NOW Plaintiff, Chase Winton (hereinafter "Plaintiff"), by and through his undersigned counsel, for his cause of action against Defendant, Safety Holdings Inc. d/b/a SambaSafety (hereinafter "SambaSafety"), and in support thereof respectfully alleges violations of the Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq. ("FCRA").

PRELIMINARY STATEMENT

1. This is an action for actual damages, statutory damages, punitive damages, costs, and attorney's fees brought pursuant to the FCRA.

2. Consumer reporting agencies that create background reports, like SambaSafety, are charged with using reasonable procedures designed to ensure the

maximum possible accuracy of the information they report. It is not enough for them to simply parrot information they receive from entities, particularly where a consumer makes a dispute about information reported.

3. When a consumer, like Plaintiff, disputes information through the consumer reporting agencies, those disputes are transmitted to the party furnishing the information. The FCRA demands that each party separately conduct a reasonable investigation of the consumer's dispute and correct or delete information they learn to be inaccurate or cannot otherwise verify.

4. The Consumer Financial Protection Bureau has noted, "experience indicates that [CRAs] lack incentives and under-invest in accuracy" Consumer Fin. Prot. Bureau, Supervisory Highlights Consumer Reporting Special Edition 21 (Issue 14, March 2, 2017).

JURISDICTION, VENUE, AND PARTIES

5. Jurisdiction for this Court is conferred by 28 U.S.C. § 1331, as this action involves violations of the FCRA.

6. Venue is proper for this Court pursuant to 28 U.S.C. § 1391(b)(2), as this is the judicial district in which a substantial part of the events or omissions giving rise to the claims occurred.

7. Venue is proper in this District and in the Pensacola Division as Plaintiff resides within the District and Division, the violations described in this

Complaint occurred within the District, and Defendant also transacts business within this District.

8. Plaintiff is a natural person and resident of Santa Rosa County, in the State of Florida.

9. Plaintiff is a "consumer" as defined by the FCRA, 15 U.S.C. § 1681a(c).

10. SambaSafety is a corporation with its principal place of business in the State of Colorado and doing business in the State of Florida through its registered agent, CT Corporation System located at 1200 South Pine Island Rd, Plantation, FL 33324.

11. SambaSafety is a "consumer reporting agency" as defined in 15 U.S.C. § 1681a(f). SambaSafety is regularly engaged in the business of assembling, evaluating, and disbursing information concerning consumers for the purpose of furnishing background reports, as defined in 15 U.S.C. § 1681a(d), to third parties.

12. SambaSafety disburses such consumer reports to third parties under contract for monetary compensation.

FACTUAL ALLEGATIONS

13. Plaintiff previously had certain criminal records that were expunged by court order (the "Expunged Records").

14. Following the expungement, the Expunged Records should not have appeared on any background report concerning Plaintiff.

15. In approximately June 2026, Plaintiff applied to work as a driver with Uber.

16. Uber obtained a background report concerning Plaintiff from SambaSafety.

17. To Plaintiff's shock and dismay, the SambaSafety background report included the Expunged Records.

18. As a result of the SambaSafety background report, Plaintiff was denied the opportunity to work with Uber.

19. On or about June 15, 2026, Plaintiff mailed a written through USPS (Tracking # 9589 0710 5270 3303 4160 94) a dispute to SambaSafety explaining that the Expunged Records had been sealed and should not be reporting. In support of this, Plaintiff included images of his driver's license and social security number to prove his ID, images of the reporting of the sealed information, and a copy of the Court Order sealing the records in question.

20. Having not received a response from Sambasafety as to his dispute, on or about September 4, 2026, Plaintiff mailed through USPS (Tracking # 9407 1111 0549 5838 7133 11) another written dispute to SambaSafety again explaining that the Expunged Records had been sealed and should not be reported. In support of

this, Plaintiff included images of his driver's license and social security number to prove his ID, images of the reporting of the sealed information, and a copy of the Court Order sealing the records in question.

21. SambaSafety failed to take basic steps to verify the details in its background reports, including whether the records it reported had been expunged, and failed to conduct any reinvestigation once Plaintiff disputed them.

22. SambaSafety clearly does not have policies and procedures in place to ensure the maximum possible accuracy of the consumer reports it publishes.

23. Had SambaSafety conducted a reasonable investigation, the results would have been different.

24. Other individuals have lodged complaints similar to the Plaintiff's in this matter, including direct complaints, CFPB complaints, FTC complaints, and via lawsuits.

25. As a result of the inaccurate consumer reporting, Plaintiff has suffered damages, including, but not limited to:

i. Defamation as SambaSafety published inaccurate information to third party entities such as Uber;

ii. Loss of time attempting to cure the errors;

iii. Mental anguish, added stress, aggravation, embarrassment, sleepless nights, and other related impairments to the enjoyment of life;

iv. Loss of opportunity and delays in obtaining employment;

v. Plaintiff was denied the opportunity to work with Uber, which he would have otherwise achieved had SambaSafety maintained proper policies and procedures to ensure the accuracy of its reports;

vi. Lost wages.
