THE DEFENDANT

31. The defendant incorporated as a Delaware corporation on February 5, 2014.

32. On December 2, 2024, the defendant registered to transact business in the Commonwealth of Massachusetts with the name LATCH SYSTEMS, INC.

33. On August 12, 2025, the defendant changed its corporate name in Delaware from Latch Systems, Inc. to DOOR Systems, INC.

34. On August 25, 2025, Dave Lillis, the President and Director of the defendant, signed a DBA Attachment on behalf of the defendant that stated, "This corporation agrees not to do business is Massachusetts under the above name [DOOR SYSTEMS, INC.] while use of the name is prohibited by G.L. Chapter 156D, Section 4.01 and/or G.L. Chapter 156D, Section 15.06 where applicable to foreign corporations . . . ." The DBA Attachment is page 4 of a Certificate of Amendment filed by defendant with the Secretary of the Commonwealth on September 15, 2025. Ex. A.

35. Section 4.01 (b) provides, in pertinent part:

> (b) Except as authorized by subsections (c) and (d), a corporate name may not be the same as, or so similar that it is likely to be mistaken for:
>
> > (1) the corporate name or trade name of a corporation organized, authorized to transact business or otherwise lawfully conducting business in the commonwealth.

36. Section 4.01 (c) provides that "The secretary of state shall authorize use of the name applied for if: (1) the other user consents to the use in writing and, if required by the secretary of state, submits an undertaking in form satisfactory to the secretary of state to change its name or mark to a name or mark that is not the same as or so similar that it is likely to be mistaken for the name of the applicant."

37. The plaintiff is organized in the commonwealth and has not consented in writing to use of its corporate name by the defendant. *See* M.G.L. ch. 156D, § 4.01.

38. Section 4.01 (d) applies in situations involving merger, reorganization, or asset acquisition, which are not here applicable.

39. Section 15.06 (b) provides, in pertinent part:

> (b) Except as authorized by subsections (c) and (d), the corporate name . . . of a foreign corporation may not be the same as, or so similar that it is likely to be mistaken for:
>
> > (1) the corporate name or trade name of a corporation organized . . . in the commonwealth.

40. Section 15.06 (c) provides that "The secretary of state shall authorize use of the name applied for if: (1) the other corporation consents to the use in writing and, if required by the secretary of state, submits an undertaking in form satisfactory to the secretary of state to change its name to a name that is not the same as or so similar that it is likely to be mistaken for the name of the applicant."

41. The plaintiff is organized in the commonwealth and has not consented in writing to use of its corporate name by the defendant. *See* M.G.L. ch. 156D, § 15.06.

42. Section 15.06 (d) applies in situations involving merger, reorganization, or asset acquisition, which are not here applicable.

43. Section 15.06 (e) provides that "If a foreign corporation authorized to transact business in the commonwealth changes its corporate name to one that does not satisfy the requirements of section 4.01, it may not transact business in the commonwealth under the changed name until it adopts a name satisfying the requirements of section 4.01 and files with the secretary of state, under section 15.04, an amendment to the certificate required to be filed by it under section 15.03."

44. On August 27, 2025, the defendant, by written consent of its sole director, authorized the use of "DOOR" in Massachusetts to the extent that its corporate name was unavailable for use in Massachusetts. The defendant further resolved that it would not use the name "DOOR Systems, Inc." in Massachusetts while use of that name was prohibited.

45. On September 14, 2025, the defendant filed a Business Certificate with the City of Woburn, Massachusetts, declaring that its business was conducted under the name "DOOR" and identifying its corporate name as "DOOR SYSTEMS, INC."

Commonwealth of Massachusetts using the name "DOOR SYSTEMS, INC." as more fully stated hereinbelow.

48. Upon information and belief, the defendant took the actions described hereinabove in an effort to fall within the requirements in Sections 4.01 (c) (1) and 15.06 (c) (1) that it submit an undertaking in form satisfactory to the secretary of state to change its name or mark to a name or mark that is not the same as or so similar that it is likely to be mistaken for the name of the applicant.

49. Because the plaintiff has not consented in writing to the use of the name applied for by the defendant, the exceptions in 4.01 (c) and 15.06 (c) do not apply.

50. As a result, the defendant's Massachusetts corporate name may not be "DOOR SYSTEMS, INC." as that name is the same as the corporate name of the plaintiff, which is organized to transact business in the commonwealth. *See* §§ 4.01 (b); 15.06 (b).

60. The defendant's webpage, located at https://door.com/policy/terms-of-service, is available to consumers in the Commonwealth of Massachusetts and uses the term "Door Systems, Inc." to transact business in the Commonwealth of Massachusetts.

On information and belief, the defendant transacts business in the Commonwealth of Massachusetts. *See* Ex. B with the addition of an arrow pointing to defendants Office Locations.

68. The defendant's failure to limit its use of its trade name to "DOOR", despite its written commitments to do so, and the defendant's refusal to cease its unlawful use of "DOOR SYSTEMS, INC." in the Commonwealth of Massachusetts, alone and in combination, have resulted in consumer confusion.
