FAIRPORT ASSET MANAGEMENT REO 2, LLC'S MOTION FOR RELIEF FROM THE AUTOMATIC STAY AND ABANDONMENT OR, IN THE ALTERNATIVE, FOR ADEQUATE PROTECTION

Fairport Asset Management REO 2, LLC ("Fairport"), a secured creditor and assignee of Regions Bank ("Regions") related to the loans, security agreements, deeds of trust, and other documents and instruments described herein,[1] files its *Motion for Relief from the Automatic Stay and Abandonment or, in the Alternative, for Adequate Protection* (the "Motion") pursuant to 11 U.S.C. § 362(d) and § 363(e) and Fed. R. Bankr. P. 4001, and in support states as follows:

[1] Regions, the original secured lender of the indebtedness at issue in the Motion, assigned the notes, security agreements and deeds of trust creating the secured indebtedness to Fairport on or about November 21, 2025. *See infra* ¶ 13. Fairport brings this Motion as the current holder of the notes and security documents.

INTRODUCTION

1. On April 21, 2026 ("Petition Date"), Debtors Melvin Scott Clanton and Andrea Doler Clanton (each a "Debtor" and, collectively, "Debtors") filed a voluntary petition for relief under Chapter 12 of the United States Bankruptcy Code ("Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of Mississippi, Case No. 26-11416. The Debtors remain in possession of their farming assets and continue to operate their farming operations as Debtors in Possession.

6. The security interest granted by the Commercial Security Agreement was properly perfected by the filing of a UCC-1 financing statement with the Mississippi Secretary of State on August 28, 2020 (File No. 20203335897A), which was subsequently amended by an amendment statement filed on July 17, 2023 (File No. 20234155976B), and continued by a continuation statement filed on March 4, 2025 (File No. 20254529691B), copies of which are attached collectively as Exhibit 4. By virtue of the Commercial Security Agreement and UCC filings, Regions possessed a first priority security interest in the Farm Equipment Collateral.

7. As additional security, the Debtors, as Grantors, executed two deeds of trust in favor or Regions, granting first priority security interests in certain real property and improvements located in Calhoun County and Webster County, Mississippi. On or about July 14, 2020, the Debtors executed a deed of trust in favor of Regions, which was recorded on December 3, 2020 at Book 424, Page 077-090, Instrument No. 2020003749, in the land records in office of the Chancery Clerk of Calhoun County, Mississippi ("Calhoun County Deed of Trust"), and which is attached hereto as Exhibit 5. By virtue of the Calhoun Deed of Trust, Regions held a first priority security interest in the following described lands and associated improvements ("Calhoun DOT Collateral"):

All of the W ½ of the SE ¼ of South of Sabougla Canal in Section 33, Township 22 North, Range 8 East, containing 65 acres, more or less, in Calhoun County, Mississippi.

8. On or about July 14, 2020, the Debtors executed a deed of trust in favor of Regions, which was recorded on December 3, 2020 at Deed Book 2020, Page 703 in the office of the Chancery Clerk of Webster County, Mississippi ("Webster County Deed of Trust"), and which is attached hereto as Exhibit 6. This lot or parcel of land is located in the SE ¼ of Section 4, T-21N, R-8-E, Webster County, Mississippi and contains a total of 3.89 acres.

9. Debtors Melvin S. Clanton and Andrea D. Clanton personally and unconditionally guaranteed the repayment of the indebtedness owed under the Loans by each executing separate Commercial Guaranty agreements for each Loan, attached hereto as Exhibit 7 ("Melvin Clanton Guaranteees") and Exhibit 8 ("Andrea Clanton Guarantees").

10. The Debtors defaulted on the Loans by, among other defaults:

(a) Failing to make the annual payment due and owing on Loan 1 on May 19, 2024;

(b) Failing to timely pay real property taxes on the real property subject to the Webster County Deed of Trust related to Loan 2;[3] and

(c) Failing to make the annual payment due under Loan 2 on July 14, 2024.

[3] Upon information and belief, the Debtors cured this default by paying the real property taxes due on the Webster County property; however, the Debtors did not cure the remaining payment defaults.

11. The Debtors failed to cure the defaults despite receiving due and property notice under the Loan Documents, and Regions accelerated the indebtedness to be immediately due and payable. On April 30, 2025, Regions filed its Complaint in the case styled Regions Bank v. Melvin S. Clanton Farm, Melvin Scott Clanton, and Andrea Doler Clanton, in the United States District Court for the Norther District of Mississippi, Cause No. 4:25-cv-52-DMB-JMV (the "Lawsuit"), asserting claims for breach of contract for defaults under the Loan 1 and Loan 2 Notes, and breach of contract against the Debtors for failure to pay on the Commercial Guarantees, among other claims. A copy of the Complaint, with all exhibits, is attached to Fairport's Proof of Claim filed June 30, 2026, as Claim No. 17, and is incorporated here by reference.

12. On October 8, 2025, Regions filed in the Lawsuit its Amended Motion for Default Judgment and its Memorandum of Law in Support of Motion for Default Judgment. See Regions Bank v. Melvin S. Clanton Farm, et al. Doc. Nos. 15 and 17, incorporated by reference.

13. On or about November 21, 2025, Regions assigned the Loans to Fairport by virtue of an Allonge related to Loan 1, attached as Exhibit 9 ("Loan 1 Allonge") and an Allonge related to Loan 2, attached as Exhibit 10 ("Loan 2 Allonge"). In connection with the assignment, Regions assigned to Fairport the Calhoun County Deed of Trust by virtue of that certain Assignment of Deed of Trust dated November 21, 2025, and recorded on December 1, 2025, as Instrument No. 2025004072, Book 471, Page 51-52, in the land records of Calhoun County, Mississippi, attached as Exhibit 11 ("Calhoun DOT Assignment"), and the Webster County Deed of Trust by virtue of that certain Assignment of Deed of Trust dated November 21, 2025, recorded on December 15, 2025, at Book 2025, Page 593, in the land records of Webster County, Mississippi, attached as Exhibit 12 ("Webster

DOT Assignment"). Regions also assigned its perfected UCC security interest on December 4, 2025 and June 24, 2026, attached as Exhibit 13 ("UCC Assignments").

14. By virtue of Regions' assignment of the Loans, Fairport became the holder and real party in interest to prosecute the defaults and nonpayment of the Loans. On December 16, 2025, Fairport filed its Motion to Substitute Parties and Renewed Motion for Entry of Default Judgment (Exhibit 14), requesting that Fairport be substituted as the Plaintiff in the Lawsuit. The Court granted the Motion by text order entered December 17, 2025, thereby substituting Fairport as the Plaintiff. Thereafter, on January 30, 2026, the Court entered its Order granting Fairport a default judgment of monetary damages against the Defendants but denying the requested injunctive relief as moot (Exhibit 15), and entered a Final Judgment against the Defendants in the amount of $709,712.84, with interest from September 26, 2025, through the date of the Judgment at the rate of 85.98547 per diem, $111,931.25 for attorney's fees and expenses, and post-judgment interest at the statutory rate (Exhibit 16).

15. The Final Judgment established the amount of the Debtors' default under the Loans which as $846,646.79 plus post-judgment, prepetition attorneys' fees and costs due under the Loan Documents of $23,414.14, for a total indebtedness due as of the Petition Date of $870,060.93 (the "Indebtedness") (See Loan Worksheet, Exhibit 17).

16. By virtue Regions assignment to Fairport of the Promissory Notes (Exhibits 9 and 10), Deeds of Trust (Exhibits 11 and 12) and the Commercial Security Agreement/UCC-1's (Exhibit 13), Fairport holds a first priority security interest in the Calhoun DOT Collateral, the Webster DOT Collateral, and the Farm Equipment Collateral to secure payment of the indebtedness.

17. On March 6, 2026, Fairport executed an Appointment of Trustee, substituting William D. Drinkwater as the Trustee under the Calhoun County Deed of Trust, which was recorded in the land records of Calhoun County, Mississippi, at Book 473, Page 523 as Instrument No. 2026000467. Exhibit 18. Thereafter the Substituted Trustee initiated foreclosure of the Calhoun DOT Collateral pursuant to the power of sale provision in the Calhoun County Deed of Trust, with the foreclosure sale scheduled for April 23, 2026. See Substituted Trustee's Notice of Sale, Exhibit 19.

18. Also on March 6, 2026, Fairport executed an Appointment of Trustee, substituting William D. Drinkwater as the Trustee under the Webster County Deed of Trust, which was recorded in the land records of Webster County, Mississippi, at Book 2026, Page 137. Exhibit 20. Thereafter the Substituted Trustee initiated foreclosure of the Webester DOT Collateral pursuant to the power of sale provision in the Webster County Deed of Trust, with the foreclosure sale scheduled for April 27, 2026. See Substituted Trustee's Notice of Sale, Exhibit 21.

19. The foreclosure sales were halted by the Debtors' bankruptcy filing on April 21, 2026, which triggered the automatic stay of 11 U.S.C. § 362.

RELIEF REQUESTED

20. Fairport seeks entry of an order under Bankruptcy Code § 362(d)(1), modifying and terminating the automatic stay to permit Fairport to exercise all its rights and remedies under the Loan Documents, including foreclosure of the Farm Equipment Collateral, Calhoun DOT Collateral and Webster DOT Collateral.

21. Pursuant to Bankruptcy Code § 362(d)(1), relief from the automatic stay is appropriate "for cause, including the lack of adequate protection of an interest in property of such party in interest[.]" The Bankruptcy Code does not define "cause," and as the Fifth Circuit Court of Appeals has noted, "this lack of definition affords 'flexibility to the bankruptcy courts.'" In re Mirant Corp., 440 F.3d 238, 253 (5th Cir. 2006); In re Little Creek Dev. Co., 779 F.2d 1068, 1079 (5th Cir. 1986)). Further, the party seeking relief from the automatic stay need only establish a factually and legally sufficient basis for relief to shift the burden onto the debtor to demonstrate that it is entitled to have the stay continue. 11 U.S.C. § 362(g); In re Timbers of Inwood Forest Assocs., Ltd., 793 F.2d 1380, 1388 (5th Cir. 1986).

22. Fairport submits cause exists to grant the relief it seeks. The Debtors first defaulted on the Loans in 2024 by, among other things, failing to make annual payments when due and failing to pay property taxes when due, resulting in a judgment in the Lawsuit establishing the default amount under

the Loan Documents on January 30, 2026, and the indebtedness continues to grow. In the two years since the original defaults, the Debtors have made no payments on the Loans but have enjoyed the use and possession of the collateral. Moreover, the Loans matured by their terms prepetition on May 19, 2025, and July 14, 2025, all amounts are presently due and owing as reflected in the Final Judgment, and Debtors have not and cannot provide Fairport with any meaningful assurance that the indebtedness will be paid or that Fairport's collateral position will be preserved. Accordingly, cause exists under § 362(d)(1).

23. Furthermore, Fairport's interest in its collateral is not adequately protected. The Debtors are continuing to use the Real Property Collateral and Farm Equipment Collateral in their farming operations, which necessarily diminishes its value through depreciation of the improvements and equipment, wear and tear, and risk of mechanical failure. Moreover, it is unknown if the real Real Property Collateral or the Farm Equipment Collateral are adequately insured to protect Fairport's interest, and the Debtors' continued possession of the collateral makes it impossible for Fairport to assure that its collateral will not fall into a state of ruin. Because Debtors have not made any payment in two years and have offered no adequate protection, Fairport's secured position erodes each day the automatic stay remains in effect. Under the circumstances, Fairport is effectively involuntarily financing Debtors' farm and farming operations post-petition while bearing all risk of loss, depreciation, market value fluctuation, and collateral deterioration. Such circumstances constitute cause for relief from stay under § 362(d)(1).

24. Most courts (including those within the Fifth Circuit) have held that an "equity cushion" of at least 20% is necessary if such equity is to be used to satisfy the Debtors' adequate protection obligations owed to the secured creditor. In re Mendoza, 111 F.3d 1264, 1272 (5th Cir. 1997) (holding that "case law has almost uniformly held that an equity cushion of 20% or more constitutes adequate protection"); In re Las Torres Dev., LLC, 413 B.R. 687, 697 (Bankr. S.D. Tex. 2009) (explaining mathematical formula used to calculate equity cushion and utilizing 20% equity cushion test to determine whether secured lender was adequately protected per Section 363(e) requirements); In re Haydel Props., LP, No. 16-51259-KMS, 2017 WL 1155690, at *2 (Bankr. S.D. Miss. Mar. 27, 2017)

(requiring an equity cushion of 20% or more to constitute adequate protection); In re Knight Energy Corp., 2009 WL 1851739 (Bankr. N.D. Tex. June 26, 2009) (employing 20% equity cushion test to conclude that secured lender was not adequately protected).

25. For a sufficient equity cushion to exist for Fairport's $870,060.93 secured claim, the value of Fairport's collateral must be at least $1,044,073.12 [$870,060.93 x 1.20 = $1,044,073.12]. Using the Debtors' own values reflected in their Schedules for purposes of this Motion only, it is clear Fairport's interest in the collateral is not adequately protected. The Debtors' Schedules reflect that the value of the 340 acres in which the Calhoun DOT Collateral (65 acres) and the Webster DOT Collateral (179 acres) are encompassed is $800,000. See Doc. 21 at p. 4. Adopting that per-acre value of $2,352.94, the 244 acres which constitute Fairport's Real Property Collateral would have a value of $574,117.65. Debtors' Schedules further reflect the total value of its farm equipment is $316,198. See Id. at 12-15. Even assuming all this farm equipment is Fairport's Farm Equipment Collateral, the Debtors' valuations of Fairport's collateral would be at most $890,315.65 ($564,117.65 for 244 acres plus $316,198 for equipment), resulting in an equity cushion of no more than 2.28%.

26. Fairport submits that it has satisfied the requirements for relief from the automatic stay under Section 362(b)(1) of the Bankruptcy Code.

27. In the alternative, if the Court finds Fairport's request for stay relief is not well taken, Fairport is entitled to adequate protection for the Debtors' ongoing use and diminution in value of its collateral.

28. Fairport further requests that the Court order that, given the lack of a sufficient equity cushion and the ongoing depreciation of its collateral, the 14-day stay provided by Federal Rule of Bankruptcy Procedure 4001(a)(3) is not applicable to this motion or otherwise be waived, so that Fairport may immediately enforce its rights in the collateral upon entry of an order terminating the automatic stay.

Accordingly, for the foregoing reasons, and for such other reasons as may be submitted at the hearing of this Motion, Fairport Asset Management REO 2, LLC, respectfully requests the Court to enter the Order submitted herewith granting Fairport relief from the automatic stay to exercise its

rights in the collateral, waiving the 14-day stay, and granting such other and further relief as the Court deems just and proper. In the alternative, Fairport respectfully requests that the Court enter an order granting Fairport adequate protection payments. A proposed Order is attached as "Exhibit 22."
