3. The Venue is proper in the Northern District of Ohio as venue lies in the judicial district of the property situs. The Defendant's property and operations complained of by Plaintiff is located in this judicial district, where the business of public accommodation is conducted, including the acts complained of herein.

PARTIES

4. Plaintiff, Richard Wagner ("Plaintiff" or "Mr. Wagner") is a Delaware County, Ohio resident, is sui juris, and qualifies as an individual with disability as defined by the ADA, 42 U.S.C. § 12102(2), 28 C.F.R. 36.104.

5. The Defendant, Schofield Properties, LLC, owns and/or operates Kimpton Schofield Hotel, located at 2000 E 9th St, Cleveland, OH 44115, in Cuyahoga County.

6. The hotel owned or operated by the Defendant, Schofield Properties, LLC, is non-compliant with the remedial provisions of the ADA. As the Defendant either owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104, Defendant is responsible for complying with the obligations of the ADA. Defendant's hotel is a place of public accommodation. Defendant's property fails to comply with the ADA and its regulations, as also described further herein.

7. At the hotel owned and operated by the Defendant, the building was repurposed, altered, and renovated extensively to become a hotel, by the Defendant or its predecessor,

commencing in 2013 and granted permits for occupancy in 2016 and is non-compliant with the remedial provisions of the ADA for newly designed and constructed or altered facilities. Full compliance with the with the 1991 ADAAG Standards or 2010 ADA Standards implementing regulations of the ADA is required for this hotel unless it is structurally impracticable in which case, compliance is required to the extent that it is not structurally impracticable.

8. As a component of Defendant's extensive repurpose, renovation and construction to its primary function areas in 2013 to 2016 it did not dedicate resources to an accessible path of travel, whereas the law requires up to 20% of the cost of the alteration to be applied to accessible routes.

9. Mr. Wagner is an individual diagnosed with spinal paralysis and permanently uses a wheelchair for mobility. As such, Plaintiff is substantially limited in performing one or more major life activities, including but not limited to, standing and walking, as defined by the ADA and its regulations thereto.

10. Mr. Wagner 1s a Delaware County, Ohio resident and is employed as an ADA Coordinator, speaker, consultant, and expert, with one aspect of his expertise focusing on inspection of places of public accommodation for ADA compliance and in that capacity has consulted for private clients throughout Ohio and in Northeast Ohio.

11. On October 9-10, 2024, Plaintiff patronized the Defendant's property as an overnight guest, and he plans to return to the property to avail himself of the goods and services offered to the public at the property. The Plaintiff has encountered architectural barriers at the subject's property. The barriers to access at the property have endangered his safety.

12. Plaintiff has a realistic, credible, existing, and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property

as described but not necessarily limited to the allegations contained in this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Plaintiff desires to visit the Defendant's place of business again on future occasions, not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the hotel and its amenities without fear of discrimination.

13. The Defendant has discriminated against the individual Plaintiff by denying him access to the full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

14. The Defendant has discriminated against and are continuing to discriminate against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendants have 10 or fewer employees and gross receipts of $500,000 or less).

Mobility Accessible Guestrooms Generally

P. The hotel's designated accessible guestrooms are not dispersed among the various classes of guestrooms, whereas the property offers numerous different types of rooms and various bed arrangements including several suites and apartments ranging from a 685 Sq ft One Bedroom King Suite to a 1940 sq ft Penthouse. These rooms offer different square footages, amenities and widely varied price points. However, guests who require mobility accessible accommodations are restricted to a one king bathtub guestroom, one king roll-in shower guestroom, and a two queen bathtub guestroom, whereas able-bodied patrons and guests have access to reserve and stay at the full range of room classes. This is in violation of the ADA and section 224.5 of the 2010 Standards and section 9.1.4(1) of the 1991 ADAAG whose remedy is strictly required or, at minimum, readily achievable

Q. The Defendant's hotel has a legally insufficient number of hotel guestrooms fitted with mobility accessible features. Whereas, for a property with 128 guestrooms, there must be a minimum of five mobility accessible guestrooms without a roll-in shower and a minimum of two mobility accessible guestrooms with a roll-in shower, totaling seven designated mobility accessible guestrooms.

R. Richard Wagner believes substantially similar barriers to handicap access for the mobility impaired exist in all guestrooms that are designated as mobility accessible guestrooms throughout the hotel (not just room 708). Including the other roll-in shower fitted mobility accessible guestrooms and bathtub fitted mobility accessible guestrooms.

Policies and Procedures:

S. The Defendant lacks or has inadequate defined policies and procedures for the assistance of disabled patrons, including emergency evacuation procedures, in violation of the ADA whose remedy is strictly required or, at minimum, readily achievable.

T. The Defendant's inadequate procedures for the benefit of its patrons with disabilities extend to its failure to conduct a self-survey of its facilities and amenities that has resulted in discriminatory conduct toward Richard Wagner.

16. The discriminatory violations described in Paragraph 15 by Defendant Schofield Properties, LLC are not an exclusive list of the Defendant's ADA violations. Plaintiff requires further inspection of the Defendant's place of public accommodation in order to document, photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The Plaintiff, has been denied access to Defendant's accommodations;

benefit of services; activities; and has otherwise been discriminated against and damaged by the Defendant, as set forth above. The individual Plaintiff, and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.

COUNT I

VIOLATION OF THE AMERICANS WITH DISABILITES ACT

17. Plaintiff restates the allegations of ¶¶1-16 as if fully rewritten here.

18. The hotel at issue, as owned and operated by Schofield Properties, LLC, constitutes a public accommodation and service establishment, and as such, must be, but is not, in compliance with the Americans with Disabilities Act ("ADA") or Americans with Disabilities Act Accessibility Guidelines ("ADAAG").

19. Plaintiff was unlawfully denied full and equal enjoyment of the goods, services, facilities, privileges, and advantages of the property on the basis of disability due to Defendant's failure to comply with Title III of the Americans with Disabilities Act and its accompanying regulations, as prohibited by 42 U.S.C. § 12182, et seq. Pursuant to 42 U.S.C. §12188, Plaintiff requests that the Court issue an injunction requiring Defendant to come into full compliance with the implementing regulations of the ADA as is required for this hotel or at minimum make those readily achievable alterations as are legally required to provide full and equal enjoyment of the goods, services, facilities, privileges, and advantages on its property to disabled persons. In connection with that relief, Plaintiff requests reasonable attorney's fees and costs of maintaining this action.

24. Defendant has committed unlawful acts pursuant to O.R.C. § 4112.02(G) by denying Plaintiff equal access to and use of public accommodations. Whereas, Defendant's property restricts access to its bar/restaurant for wheelchair users and denies guests who require a mobility accessible guestroom from enjoying premium views or suites.

25. The Defendant's acts are willful, severe and ongoing.

26. Pursuant to O.R.C. §4112.99, Plaintiff is entitled to compensatory and punitive damages as necessary to ensure justice, and attorney's fees and costs, in an amount to be determined at trial, but in any event not less than $25,000.00, as well as issuance of an injunction

For COUNT II, compensatory and punitive damages in an amount to be determined at trial, but in any event not less than $25,000.00, as well as issuance of an injunction requiring Defendant to allow full and equal enjoyment of the goods, services, facilities, privileges, and advantages to disabled persons.
